

### Statement Concerning Suggested Daily Caloric Intake:

The Dietary Guidelines for Americans recommend limiting saturated fat to 20 grams and sodium to 2,300 mg for a typical adult eating 2,000 calories daily. Recommended limits may be higher or lower depending upon daily calorie consumption.

### Important Statement:

Nutrition information is based on analysis by R-TECH and Commercial Testing Laboratory, Inc., and representative values from manufacturers, Genesis R&D® SQL and the USDA. Allergen information is provided by the ingredient or product manufacturer. The information in this information assumes compliance by locations with ingredient requirements and standardized preparation procedures. Seasonal and manufacturer variations may also affect information.

This brochure is for permanent menu items in DQ® approved system food restaurants (DQ Grill & Chill® or Brazier® locations). It does not apply to: (1) limited time offers or test items; (2) non-system food locations that sell food products not approved by DQ (you can identify approved system food locations by the DQ Grill & Chill, Brazier, or Limited Brazier signs or by asking the restaurant operator); (3) food restaurants in Texas, which have their own authorized food system and nutrition information; (4) soft-serve products in some Illinois and New Jersey stores that use a soft-serve differing significantly in nutritional content from the standard DQ soft-serve, including increased butterfat content in the NJ stores; (5) MooLatté® drinks and Julius® Originals in a small number of mall locations that do not carry Arctic Rush®, which have up to 190 more calories per beverage; (6) some location-specific menu items.

If you have questions about a menu item, please contact the store operator or manager.

### Allergen Statement:

DQ locations contain allergens that may come into contact with your food. Since allergens are present in every DQ location and cross-contact can easily occur, we cannot guarantee any item to be allergen free or the accuracy of the data as it relates to prepared menu items at a location. We suggest you inform the restaurant of any allergies prior to ordering and ask to see the ingredient listing on the packaging for the product you would like to purchase.

**Fish/Shellfish:** DQ locations use the same equipment (including fryers) to prepare fish/shellfish as is used for non-fish/shellfish items like French Fries. While the frying process typically denatures the allergenic protein, it is possible for the fish/shellfish allergenic protein to remain in the frying oil or on equipment surfaces and contact other DQ products.

**Soybean Oil:** Our frying oil is a vegetable oil blend with soybean oil. While soybean oil is not recognized as an allergen, consult your doctor as to whether you should avoid soybean oil.

**Gluten Sensitive:** Gluten is in many DQ products and cross contact may easily occur during product preparation. For those with gluten sensitivity, we recommend trying one of our manufactured novelties: Dilly Bars, Buster Bar Treats, Fudge Bars, Vanilla Orange Bars, or Starkiss® Bars, which can be found in clear, sealed plastic wrappers. These products are made without wheat, rye, oats, or barley in a facility that has limited cross contact risk. This does not include Dilly Bars or Buster Bar Treats in paper bags, which are made on the store premises and are subject to potential cross contact.

For more detailed information on food ingredients, we suggest you visit the U.S. Food and Drug Administration Center for Food Safety and Applied Nutrition website at [www.cfsan.fda.gov](http://www.cfsan.fda.gov). For more detailed information about food allergies, we suggest you visit the Food Allergy and Anaphylaxis Network website at [www.foodallergy.org](http://www.foodallergy.org).

\* Locally sourced ingredients are used in this menu item. Please verify allergens at your local restaurant.

# DQ® treats and food start with high-quality ingredients and end with a smile.

Since 1940, our fans have come to expect the best from their neighborhood *Dairy Queen* store. It's still that way today, from our classic treats to the new favorites you've yet to discover.

## Chicken Strips

Our chicken strips start with 100% all tenderloin chicken.

First, we marinate them so they're always tender and juicy, then we bread them and season them before cooking to golden brown perfection. Definitely worth crossing the road for.

## Fresh Choice Salads with Marzetti® Dressings

Our salads are made with 100% tenderloin grilled or crispy chicken atop a bed of fresh iceberg and Romaine lettuce and a colorful blend of garden vegetables. Topping it all off is your choice of premium *Marzetti* dressings. For over 115 years, the *Marzetti* family has been famous for their five-star quality dressings. One bite and you'll know why.

## Dairy Queen® Soft Serve: A fan favorite since 1940

The rich, creamy soft serve found in your favorite *Dairy Queen* treats begins with delicious, wholesome milk from carefully selected dairies. Our high standard is to serve it at 18 degrees for the perfect flavor and texture. You can taste the difference in every cone, *Blizzard*® Treat, shake and sundae. What else would you expect from the people who invented America's favorite soft serve?

**Did you also know Dairy Queen® soft serve contains 5% butter fat<sup>1</sup> and is 140 calories per creamy 1/2 cup<sup>2</sup>? That sounds as good as it tastes.**

## Dairy Queen® Menu: Trim the calories not the flavor.

The menu at *Dairy Queen* restaurants offers quality nutritional alternatives as well. Menu items are made-to-order so fans can customize their meal to meet their nutritional preferences. Here are some options:

### Grilled Chicken Sandwich Combo

555 calories total meal

Medium Diet Soda or Bottled Water = 0 cal.

Side Salad with Marzetti® Balsamic Vinaigrette\* = 155 cal.

Grilled Chicken Sandwich = 400 cal.

290 calories

### Garden Greens with Grilled Chicken

with Marzetti® Balsamic Vinaigrette\*

230 calories

50 calories

### DQ® Fudge Bar\*

No sugar added and fat free

DQ® Small Vanilla Cone

<sup>1</sup>See nutrition facts for total fat content for DQ® treat items. <sup>2</sup>For 4 fl. oz. of soft serve only. Doesn't apply to finished treat products.

\*At participating locations. See nutrition information for sugar content.

## Kids LiveWell at DQ®

The National Restaurant Association's Kids LiveWell initiative helps parents and children select healthful menu options when dining out - making the healthy choice the easy choice. Participating restaurants commit to offer and promote healthful meal items for children, with a particular focus on increasing consumption of fruit and vegetables, lean protein, whole grains and low-fat dairy; and limiting unhealthy fats, sugars and sodium.

The Dairy Queen system is pleased to be a participating partner in this program, offering a Kids LiveWell meal that includes a:

- Grilled Chicken Wrap
- Banana
- Water

### Nutrition Information:

- 1 serving fruit; 1 serving lean meat
- 770 mg of sodium
- 11 grams of fat
- 360 calories
